About ZO Skin Health/

ZO Skin Health and ZO Medical Skin Care ranges were created by world-renowned Dermatologist Dr Zein E Obagi, MD.

ZO, a world class mission

To develop and deliver innovative skincare solutions that optimize skin health based on the latest advances in skin therapy technologies, unique delivery systems, bioengineered complexes and exclusive formulations.

By providing comprehensive skincare programs for physicians and their patients, we create a continuum between therapeutic treatments and daily care, allowing patients to experience continuously healthy skin regardless of their age, ethnicity or unique skin condition.

Every product in the range work from the inside out, activating and stimulating your skin's cells to nourish, repair and maintain themselves.

ZO Skin Health Products use the most potent ingredients, high concentrations, pure retinol, advanced peptides and powerful antioxidants and enzymes to make a visible difference in your skin.

Tested for 2 years by Sallie

Professionally and personally, this line of Medical Grade Skin Care is a range that will give you results.

Activating and stimulating your skin's cells to nourish, repair and maintain themselves. ZO Skin Health Products use the most potent ingredients, high concentrations, pure retinol, advanced peptides and powerful antioxidants and enzymes to make a visible difference in your skin.

GENTLE CLEANSER

Gentle cleanser for all skin types designed to remove impurities and leave skin feeling refreshed, clean and hydrated.

Indication

- All skin types

Benefits

- Deep-cleans skin to remove oil and impurities
- Promotes natural hydration and leaves the skin feeling refreshed
- Soothes and calms the skin
- Protects skin from the harmful effects of free radicals

Cost / \$100

EXFOLIATING CLEANSER

Gentle exfoliating cleanser for normal to oily skin that targets surface oil leaving the skin feeling clean, but not stripped and dry.

Indication

- Normal to oily skin

Benefits

- Contains multiple foaming surfactants to remove oil and impurities
- Targets excess sebum
- Jojoba esters help to remove dead skin cells to help unclog pores and stimulate healthy cell renewal
- Beta hydroxy acid (BHA) provides chemical exfoliation of dead skin cells
- Provides antioxidant protection to neutralize free radicals
- Helps to calm and soothe inflamed and irritated skin

Cost / \$100

HYDRATING CLEANSER

This refreshing cleanser hydrates rejuvenates and supports collagen production. It features pantheon and allantoin to soothe, repair, and restore skin as it clears away dead skin cells and supports cellular renewal.

Indication

- Normal to dry skin

Benefits

- Helps retain hydration during the cleansing process
- Provides soothing and calming properties
- Removes dirt, oil, and makeup without leaving a residue

Cost / \$110

EXFOLIATING POLISHSER

Ultra-fine magnesium crystals exfoliate dead skin cells and increase epidermal turnover for a cleaner, smoother, more even-toned complexion.

Vitamins A, C, E, and C-Esters provide antioxidant benefits to help maintain skin barrier function.

Named one of the [6 Best Face Scrubs to Exfoliate Your Way to Smooth Skin](#) - Good Housekeeping Institute Beauty Lab

Indication

- All skin types

Benefits

- Magnesium crystals provide exfoliation benefits
- Instantly polishes skin to restore smoother texture and healthy glow
- Removes dead skin cells to prevent clogged pores

Cost / \$110

DUAL ACTION SCRUB

This dual-exfoliating formula assists in clearing dead cells, whiteheads and blackheads. Its exclusive 12-hour, multi-oxidant, time-release complex helps provide continuous antioxidant benefits while hydrators ensure skin softness and comfort.

Indication

- Oily, acne-prone skin

Benefits

- Dual-action exfoliation
- Targets oil and bacteria
- Calming and soothing
- Restores lipids to enhance barrier restoration
- Exclusive potent antioxidant complex protects skin to help minimise inflammation and damage induced by daily oxidative stress

Cost / \$160

COMPLEXION RENEWAL PADS

Reduces sebum production, removes dead skin cells and deep-cleans congested pores using 2% salicylic acid. Botanical extracts calm inflammation and soothe irritation. Recommended for prevention and treatment of oily skin and breakouts.

Indication

- Normal to oily skin

Benefits

- Dual-chemical exfoliation removes dead skin cells to prevent clogged pores and help decrease breakouts
- Reduces oiliness to help control acne and provide a clearer complexion
- Calms and soothes inflamed and irritated skin
- Provides antioxidants to protect against damage caused by free radicals

Cost / \$110

OIL CONTROL PADS

This acne-control product assists with prevention of outbreaks featuring proven exfoliants that assists with clearing pore-clogging oil. It also contains botanical extracts with antioxidant and soothing properties to reduce redness and irritation. Urea keeps skin moisture in balance

Indication

- Oily, acne-prone skin

Benefits

- Acne solution (2% salicylic acid) provides powerful treatment at the source
- A combination of proven exfoliant said in keeping pores clean and optimise the delivery of ingredients
- Specialised extracts target oiliness and shininess, and minimise pore size
- Scrubbing effect of the pad effectively removes dead skin cells
- Anti-inflammatory properties soothe skin and reduce redness
- Urea balances hydration and promotes a healthy skin barrier
- Cooling agent soothes skin irritation
- Multi-antioxidant complex prevents future skin damage and signs of ageing

Cost / \$140

CALMING TONER

Calming, pH balanced toner that removes impurities and invigorates weak and sensitive skin.

Indication

- Dry-sensitised skin

Benefits

- Unique combination of solvents, astringents and exfoliants thoroughly clears and cleanses the skin
- Exclusive blend of hydrators helps soothe and heal treated skin
- Gentle, cooling action adds a new level of comfort.

Cost / \$84.00

COMPLEXION CLEARING MASK

Natural, clay-based formula that treats and prevents acne. Formula purifies pores and absorbs excess oil that can lead to future breakouts, while hydrating the skin to combat dryness.

Indication

- Oily, acne skin

Benefits

- Absorbs surface oils and reduces oiliness
- Helps prevent clogged pores
- Can also be used as a spot treatment on blemished areas

Cost / \$112

COMPLEXION CLARIFYING SERUM

A water-based serum engineered with ZO sebum-targeting science that will assist in reducing surface oil, congestion + visible redness for a continually clear + balanced complexion.

Indication

- Oily, acne-prone skin

Benefits

- Assists in reduction of shine and helps to decongest skin
- Reduces visible redness for a more uniform complexion
- Minimises excess sebum with daily use, while providing optimal hydration for a range of skin types
- Light, water-gel formula layers easily
- Features a unique dropper that fills automatically for ease of application

Cost / \$204

ROZATROL

Treatment serum for red, sensitised skin that works to normalise skin by reducing excess surface oil. Exfoliating properties provide ultra-mild exfoliation to help prevent signs of premature ageing.

Indication

- Rosacea, red, sensitised skin

Benefits

- Inflammatory modulation complex helps reverse the appearance of existing skin redness, while preventing future UV-induced inflammation and redness
- Advanced amino acid complex helps promote optimal microcirculation to encourage healthy
- vascular functions and to restore skin to a more radiant appearance
- -Triple-blended oil-control complex prevents excess sebum production and provides anti-microbial benefits
- Helps restore cellular communication signals to normalise and stabilise natural skin functions

Cost / \$220

10% VITAMIN C

Provides potent dose of vitamin C that brightens and redefines skin, promoting a more even skin tone and minimizing the appearance of fine lines and wrinkles.

Indication

- Oily, acne skin

Benefits

- Pure vitamin C works by rapidly exfoliating skin's surface pigmentation for a more even tone and brighter complexion
- Advanced vitamin C ester goes one step further below the skin surface to prevent new melanin pigment formation
- Powerful antioxidants help defend against environmental triggers that can initiate new pigment formation
- Naturally occurring lipids hydrate and support skin barrier restoration
- Minimizes the appearance of lines and wrinkles

Cost / \$190

DAILY POWER DEFENSE

Antioxidant serum designed to improve the appearance of lines and wrinkles, and to address future damage.

Indication

- All skin types to provide antioxidant protection and to support DNA integrity

Benefits

- Introduces DNA repair enzymes to speed up the skin's natural mechanism to repair DNA damage and protect against future oxidative damage
- Provides antioxidant protection to combat free radical damage
- Restores lipids and enhances the skin barrier system
- Stimulates collagen to help diminish fine lines/wrinkles while tightening and firming the skin
- Promotes cell turnover to provide a more even skin tone and healthy glow

Cost / \$284

ENZYMATIC PEEL

At home peel formulated to create a softer, brighter skin appearance.

Indication

- Mild pigmentation problems

Benefits

- Assists in stabilising the epidermis and skin barrier function by replenishing lipids and aiding the skin's natural hydration
- Assists in smoothing uneven, rough textured skin
- Assists in minimising acne post-inflammatory hyperpigmentation (PIH)
- Assists in reducing flakiness
- Assists in replenishing hydration within the stratum corneum
- Assists in reviving dull-looking skin
- Assists in delivering lipid replenishment for skin barrier restoration and reinforcement
- Assists in improving the visible signs of sun damage

Cost / \$148

EXFOLIATION ACCELERATOR

Glycolic and lactic acid complex that aids in the removal of dead skin cells while providing calming and soothing benefits with aloe, green tea and chamomile blend.

Indication

- Sun damage, rough texture, acne-prone skin

Benefits

- Alpha hydroxy acid complex provides gentle yet effective exfoliation of dead skin cells and increases cell turnover, helping to soften texture and even skin tone
- Advanced anti-irritant and hydrating complex helps soothe and support recovery of damaged skin
- Proven antioxidants have been added to help prevent future damage

Cost / \$152

FIRMING SERUM

An anti-ageing breakthrough in skin structure + shape. This mild, lightweight and tolerable formulation is indicated for all skin types and sensitive skin areas to help reinforce skin health and hydrate to support the visible improvement in skin elasticity and firmness.

Indication

- Lax and sagging skin

Benefits

- Visibly tightens and firms the skin
- Improves the appearance of sagging and skin laxity
- Helps define facial contours
- Supports healthy skin structure and the skin's natural renewal process
- Helps to defend against free radical damage

Cost / \$500

GROWTH FACTOR SERUM

Lightweight gel for all skin types that assists in strengthening skin, supporting skin rejuvenation, protecting against future signs of ageing.

Indication

- All skin types with moderate signs of ageing

Benefits

- Highly tolerable and effective anti-ageing treatment
- Combines plant and enzymatically derived growth factors to stimulate skin's extracellular matrix to promote production of collagen and hyaluronic acid
- Improves skin density, firmness and elasticity
- Reduces the appearance of lines + wrinkles
- Relaxes muscles for rapid smoothing of deep wrinkles
- Protects against future skin damage and the signs of premature ageing

Cost / \$290

INSTANT PORE REFINER

This lightweight serum minimises the appearance of pores. It features a dual-action formula which works to eliminate surface shine for an instantly matte finish.

Indication

- All skin types to provide pore refinement, oil control and texture improvement

Benefits

- Normalizes sebum production, reduces surface oil and shiny skin
- Provides an instant matte finish
- Smooths skin texture
- Tightens pores
- Keeps pores clean, limits blemishes
- Strengthens skin barrier, minimises inflammation, provides continuous antioxidant protection

Cost / \$150

RADICAL NIGHT REPAIR

Formulated with 1% retinol to improve skin texture and uneven pigmentation, and to assist in minimising the appearance of fine lines and wrinkles.

Indication

- Ageing skin with fine lines, wrinkles and sun-damaged skin

Benefits

- Specially formulated with advanced oleosome delivery system to ensure stability and provide a slow release of high-potency retinol to maximise anti-ageing benefits and minimise irritation
- Boosts collagen production to help diminish fine lines/wrinkles, as well as tighten and firm the skin
- Improves skin's brightness, reduces brown spots and provides a more even skin tone
- Softens and helps smooth rough skin texture
- Provides multiple antioxidants to neutralise free radicals and prevent future damage to skin
- ZO-RRS2™ Exclusive potent antioxidant complex protects skin to help minimise inflammation and damage induced by daily oxidative stress

Cost / \$340

WRINKLE + TEXTURE REPAIR

Wrinkle and texture repair crème supports the visible improvement of skin's texture, firmness and colour tone, while reducing appearance of fine lines and wrinkles.

Indication

- Ageing skin with deep lines and wrinkles: texture repair

Benefits

- High-potency vitamin A technology stimulates the skin's natural rebuilding process to produce firmer skin, fewer lines and wrinkles, and a more even complexion
- Biomimetic protein activates the skin's natural regeneration process to restore vital moisturizing factors and its natural barrier function

Cost / \$260

BRIGHT ALIVE

Non-retinol skin brightener that evens skin tone and reduces dark spots.

Indication

- Mild pigmentation problems
- Non-hydroquinone, non-retinol alternative

Benefits

- Great for all skin types when strong bleaching is not indicated
- Reduces the appearance of brown spots, evens skin tone and prevents new pigmentation formation
- ZOx12™ provides continuous antioxidant protection against free radical damage
- Replenishes hydration and helps prevent transepidermal water loss
- Enhances DNA repair
- Mild enough for everyday use

Cost / \$264

RETINOL SKIN BRIGHTENER

Retinol blend assists in brightening and evening skin tone.

Indication

- Moderate pigmentation problems

Benefits

- Formula designed to target pigmentation concerns and brighten skin tone
- Includes micro-encapsulated retinol to rapidly break up surface pigmentation and promote healthy cell turnover
- Assists in innovative brightening technology utilising a multi-vectorised approach to help inhibit the overproduction of melanin
- Minimises chronic inflammation and provides antioxidant protection to prevent future damage
- Available in 0.25%, 0.5%, 1%

Cost / \$264

GROWTH FACTOR EYE SERUM

Powered by ZO Growth Factor Technology, Growth Factor Eye Serum helps to target the appearance of deeper eye wrinkles, crease formation, hollowness + microcirculation decline. Cooling applicator helps soothe the skin and re-invigorates the look of tired eyes.

Indication

- All skin types to provide pore refinement, oil control and texture improvement

Benefits

- Synergistic combination of peptides and plant extracts help stimulate collagen and fibroblast activity to assist in improving skin density and hyaluronic acid production.
- Enhances microcirculation to assist and encourage vascular tone, exchange of nutrients and detoxification process
- Cooling applicator soothes skin and re-invigorates tired eyes
- Helps to strengthen barrier function and assists in providing added antioxidant protection to prevent future damage to the delicate eye area

Cost / \$208

EYE BRIGHTENING CREME

Targeted retinol eye treatment to reduce wrinkles and fine lines while improving overall complexion and skin texture. Optical diffusers reduce dark circles and puffiness.

Indication

- All skin types, fine lines, wrinkles, loss of elasticity

Benefits

- Works with peptides and retinol to boost collagen production to diminish the appearance of fine lines/wrinkles and crow's feet
- Provides continuous hydration to restore a soft and supple look
- Helps even skin tone to improve the appearance of dark circles
- Uses optical diffusers to reflect light to minimise imperfections around the eye area
- Protects against free radical damage
- Uses botanical extracts to naturally help to decrease inflammation and reduce puffiness

Cost / \$208

HYDRATING CREME

Delivers hydrating and calming benefits for post-procedure or dry and irritated skin. Formula rejuvenates skin renewal whilst assisting to improve the appearance of fine lines and wrinkles.

Indication

- Post-procedure, compromised and severely dry or irritated skin

Benefits

- Aids post-procedure, compromised and severely dry or irritated skin
- Provides comfort to irritated skin
- Helps reduce the appearance of redness
- Dual-peptide formula supports natural skin renewal and assists in improving the appearance of fine lines and wrinkles
- Enhances skin re-epithelialization to accelerate recovery
- Replenishes hydration and lipids to restore skin barrier function
- Ideal for daily use under sunscreen

Cost / \$196

RECOVERY CREME

Retinol helps reduce the appearance of fine lines and wrinkles, while ceramides hydrate and smooth the surface of the skin.

Indication

- Severely dry skin, irritated skin, redness

Benefits

- Complements skin's own natural recovery process
- Provides a natural, non-steroidal approach to calming and soothing irritated skin
- Specially developed with emollients designed to quickly restore severely dry, dehydrated skin
- Reinforces the skin barrier to protect against transepidermal water loss
- Provides antioxidant protection and supports the skin's DNA repair mechanism

Cost / \$200

RENEWAL CREME

Hydrator that supports hydration levels in the skin. Soothes the skin and minimises redness.

Indication

- Dry skin, irritated skin

Benefits

- Complements skin's own natural recovery process
- Provides a natural, non-steroidal approach to calming and soothing irritated skin
- Restores hydration and helps repair the skin barrier
- Provides antioxidant protection to repair and prevent free radical damage
- Stimulates the skin's DNA repair mechanism

Cost / \$195

AGGRESSIVE ANTI-AGEING PROGRAM

Deeper lines and wrinkles, hyperpigmentation (age spots, sun damage) and thinning skin with reduced elasticity/firmness all require more aggressive treatment.

The Aggressive Anti-Ageing program features potent formulas with enzymes, a functional hydrator and antioxidants, containing a high concentration of retinol - a topical ingredient proven to mitigate the effects of both environmental and chronological skin ageing.

Benefits

- Helps reduce the appearance of deeper lines and wrinkles
- Minimises the appearance of hyperpigmentation and "age spots"
- Promotes a more even looking skin tone
- Aids in strengthening the skin by keeping hydration at the proper level
- Helps maintain results achieved with lasers or medical treatments

Contents

- Hydrating Cleanser 60mL
- Exfoliating Polish Net 16.2g
- Complexion Renewal Pads 30 Pads
- Daily Power Defense 30mL
- Radical Night Repair 30mL
- Renewal Creme 50mL

ANTI-AGEING PROGRAM

This moderately aggressive program, with highly advanced anti-ageing ingredient technology, is designed to help reduce the appearance of early or significant signs of environmental and chronological ageing.

The Anti-Ageing Program uses potent ingredients, concentrated formulas and aggressive delivery systems to improve and strengthen skin's appearance and protect against future damage.

Benefits

- Helps reduce the appearance of fine lines and wrinkles
- Promotes a more even looking skin tone and finer pore appearance
- Preserves and maintains a youthful looking complexion
- Helps prevent future skin damage by protecting against the harmful effects of the sun

Contents

- Exfoliating Cleanser 60mL
- Exfoliating Polish Net 16.2g
- Complexion Renewal Pads 30 Pads
- Daily Power Defense 30mL
- Growth Factor Serum 30mL

COMPLEXION CLEARING PROGRAM

When skin does not exfoliate as it should, dead cells build up on the skin's surface and inside the pores. The dead skin cells then mix with trapped oil and the pores become clogged, resulting in blackheads and whiteheads.

The ZO Complexion Clearing Program features essential ingredients to help slow sebum activity and break down surface oils, while exfoliating dead skin cells to help repair surface damage, tighten pores and improve skin texture.

Benefits

- Controls excess oil production
- Removes dead skin cells
- Stimulates healthy cell renewal
- Helps to calm and soothe inflamed and irritated skin

Contents

- Exfoliating Cleanser 200mL
- Exfoliating Polish Net Wt. 65g
- Complexion Renewal Pads 60 Pads
- Sulfur Masque Net Wt. 85g

DAILY SKIN CARE PROGRAM

The first line of defense against fine lines and wrinkles is to keep skin hydrated and protected from damaging sun exposure. It starts with a basic skincare program that uses high levels of high-performance ingredients to aid in the fight against the natural aging process.

The Daily Skincare Program is an everyday skincare essential to help strengthen and maintain healthy-looking skin. It is specifically targeted to:

- Help preserve and maintain a youthful-looking complexion
- Help prevent future damage by protecting skin from the sun
- Improve and maintain the appearance of even skin tone and finer pores
- Keep skin hydrated

Contents

- Exfoliating Cleanser 60mL
- Exfoliating Polish Net 16.2 g
- Complexion Renewal Pads 30 Pads
- Daily Power Defense 30mL

SKIN BRIGHTENING PROGRAM

This skin brightening program features a multi-product assortment designed to brighten skin tone, lessen the appearance of discoloration and improve skin texture.

Benefits

- Ideal for improving the appearance of hyperpigmentation either when hydroquinone treatment is completed or contraindicated, or as maintenance
- For use when skin bleaching is not desired and even with colour tone is the objective
- Effective for reducing the appearance of fine lines and wrinkles

Contents

- Retinol Skin Brightener 30mL
- Brightalive® Skin Brightener 30mL
- Wrinkle + Texture Repair 30mL
- Daily Power Defense 30mL

SKIN NORMALISING PROGRAM

The ZO® Skin Normalising System is a complete selection of products for red, sensitized skin. This system features Rozatrol®, a multi-modal treatment that helps to relieve the visible symptoms known to be associated with rosacea.

Benefits

- Gently cleanse while soothing and calming skin
- Helps to smooth skin and evens skin texture
- Minimises oiliness and helps reduce redness
- Aids in strengthening the skin by keeping skin hydrated

Contents

- Gentle Cleanser 60mL
- Exfoliating Polish Net Wt. 16.2g
- Oil Control Pads 60 Pads
- Daily Power Defense 30mL
- Rozatrol® 20mL
